MAIL STOP ISSUE FEE

Commissioner for Patents

P.O. Box 1450

Alexandria, VA 22313-1450

Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicants hereby notify the U.S. Patent and Trademark Office of the document which is listed on the attached PTO/SB/08 A & B (modified) form and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of the listed document is submitted herewith.

The present Information Disclosure Statement is being filed (without a Statement Under 37 C.F.R. § 1.97(e)) after the later of three months from the application's filing date and the mailing date of the first Office Action on the merits, but before a proper Final Office Action, Notice of Allowance, or an action that otherwise closes prosecution in the application (whichever is earlier), and therefore a check for the fee of \$180.00 under 37 C.F.R. § 1.17(p) is attached.

01/29/2004 CNGUYEN 00000028 09765411

01 FC:1806

180.00 OP

Applicants note that, although the outstanding Office Action in the above named Application has been indicated as a "Final" Action, this indication is improper, for at least the reasons listed in the Petition to Withdraw Finality included herewith. Thus, Applicants request that the Examiner enter this Information Disclosure Statement without requiring a Statement Under 37 C.F.R § 1.97(e), and consider the attached references immediately.

A complete English translation (machine-based) of the attached foreign language document is being submitted herewith, and therefore no concise explanation for the foreign language document is required.

The submission of the listed document is not intended as an admission that the document constitutes prior art against the claims of the present application. Applicants do not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.

Respectfully submitted,

Timothy P. Cremen
